

FLAGS FOR A DAY

A FUND
RAISING
PROJECT
BY THE

Minden Rotary Club

www.mindenrotary.com

Sign up and installation:

1. Fill in the application and include your payment with your form. Make checks payable to Minden Rotary Club.
2. The fee for the first year is \$50 total. This includes holder startup costs, installation and the first year's rental. The service will continue with an annual contribution, currently set at \$25.
3. A renewal statement will be sent or delivered around April of each year.
4. We install a holder flush with the ground in a grass or landscaped area suggested by a Rotarian, but subject to your final approval. Installation near the curb or sidewalk is recommended.
5. It is required by State Law to contact Diggers Hotline at 1-800-331-5666 or www.ne-diggers.com before installation. It is the homeowner's responsibility to do this. Allow 48 hours for a response. Although the Rotary Club will do the installation, the owner assumes full liability for the final location.

Other projects supported by Minden Rotary and opportunities to serve:

- Rotary Youth Leadership Awards (RYLA) granted annually
- Dictionaries for 3rd Graders (every 3rd grade student in Kearney County receives a free hard-bound dictionary to keep forever!)
- Minden High School Scholarships
- Outstanding 4-H Award given annually.
- Pancake Feed during the Christmas City 5K in December
- Polio Plus. Rotary International's worldwide program to eradicate the polio virus.
- Root Beer Floats at various Minden community events.

The Minden Rotary Club meets at noon on the 2nd & 4th Thursdays of every month at the Minden Opera House. All are welcome!

What do you get?

Show your patriotism and never worry about putting your flag out or taking it in again. We'll provide a 3'x5' flag on an 8' pole. We'll place it in a holder in front of your house

after sunrise on
Memorial Day

Flag Day

4th of July

Labor Day

Then prior to sunset, we'll remove the flag and store it until the next "flag day."

Our Goal:

We hope to raise enough funds to build a permanent flag display at the newly renovated Chautauqua Park in Minden.

Typical base and cap:

The holder is placed flush with the ground and can be mowed over.

As seen on "Flag Days"
The flag will be placed shortly after sunrise and taken down and stored shortly before sunset 4 times a year.
